Sir,

Sub:- Treasury - Sub Treasury at Hospet (Bellary District)
increase in work due to the Tungabhadra Project -
Appointment of additional Staff - sanction - Requested.

--

The cash transactions at the Sub Treasury at Hospet in this District are normally heavy. The permanent establishment that attends to the Sub Treasury work consists of a Taluk Head Accountant, one Lower Division Clerk and two shroffs. Recently another Lower Division Clerk has been sanctioned in G.O.Ms. 477 Rev. D/26-2-47 in the general scheme of strengthening certain sub treasuries.

2. Consequent on the sanction of the execution of the Tungabhadra Project, a large number of offices relating to the Revenue and P.W.D. Departments and other private Engineering Companies are located in Hospet town and at the Dam Site nearby. All the bills relating to these establishments are encashed at the Hospet Sub Treasury, with the result that the Sub Treasury work has increased considerably in spite of the fact that Excise Revenue has been abolished. The average number of challans received per month on account of the Tungabhadra Project alone is 300 covering an amount of Rs. 22,000/- and the number of bills is 650 covering an amount of about Rs. 2,50,000/-. The execution of the project will take some more years and so the treasury transactions on account of the project will remain and are also bound to increase with the execution of the project. The present Sub Treasury establishment at Hospet find it very difficult to cope with the increased work and close the Sub Treasury before sun set. Besides, the Taluk Head Accountant has to supervise the work of five clerks in his section, which he is finding impossible to do.

3. I enclose two statements showing the particulars of the Sub Treasury transactions in pre-war days and during 1946-47 and these show the continuous increase in the Sub Treasury work. In this connection, I invite the attention of the Board to the letter No. 915/46 dated 8-11-46 from the Special Officer, Tungabhadra Project, Bellary (a copy of which was communicated to me in Board's Ref. H. 3338/46-4 dated 17-2-1947. While recommending the formation of a separate sub Taluk with a sub treasury, for the Dam site and the submergible areas, the special Officer has pointed out to the increase in work in the Hospet Sub Treasury on account of the cash transactions of the Tungabhadra Project. Proposals for the creation of a sub taluk at the Dam site were submitted to the Board in Collector's Rc. No. 1845/47 dated 19-11-47 and 10-12-47 and it may take some time for the Government to approve of these proposals as the draft notification required under B.S.O. 201 has to be published and objections called for.

4. The extra work at Hospet Sub Treasury will decrease as soon as the cash transactions relating to the T.B. Project are diverted to the proposed sub Treasury at the Dam site, but I consider that until the above proposals materialize, some relief should be given to the existing Sub Treasury Staff at Hospet who are working under a heavy strain. One Upper Division Clerk to assist the Taluk Head Accountant and another shroff to assist the other two are necessary. I therefore request that the Board may be pleased to obtain early the sanction of the Government for the employment, for a period of 6 months or till the sub Taluk is formed whichever is earlier, of an additional establishment consisting of one Upper Division Clerk and one shroff to cope with the increase in work in Hospet Sub Treasury.

P.T.O

5. The financial aspect of the proposal is as follows:-

	<u>Pay</u>	<u>D.A.</u>
One Upper Division Clerk on Rs.80/- per mensem with D.A. @ 24/- for 6 months.	Rs. 480/-	144/-
One Shroff on Rs. 24/- per mensem with D.A.@ 18/- for 6 months.	Rs. 144/-	108/-
Total Rs. 876/- i.e.	Rs. 624/-	252/-
